

13 – AUDITION SIDES

EXT. OLD BRIDGE – NIGHT

PROMETHEUS steps onto the bridge. RA emerges from the shadows.

RA

Prometheus... it's been a while.

PROMETHEUS

Far too long. I hoped I would find you before they did.

RA

You still carry the weight of worlds. Some things never change.

PROMETHEUS

Neither do you. Still chasing power when you should be protecting lives.

RA

Power isn't evil. It's only dangerous in the wrong hands.

PROMETHEUS

Then prove your hands are the right ones. The Eclipse threatens everyone. Help us stop it.

Ra studies him for a long moment.

RA

Tell me why... and maybe I'll listen.
