

Character Profile: General Robert Calibur

Name: General Robert Calibur

Age: 60–70

Position: Four-star General and Director of Project Eclipse

Relationship to Masha: Grandfather and legal guardian following the deaths of Masha's parents.

Character Description

A decorated military leader, strategist, and patriot who genuinely believes humanity is incapable of governing itself responsibly. Following the death of his son and daughter-in-law during the early stages of Project Eclipse, he devoted his life to completing their work.

To the public he is a respected military hero.

To his enemies he is a dictator in waiting.

To Masha, he is the man who raised her.

Core Belief

"Freedom without responsibility creates chaos. Humanity needs guidance, not choices."

The General does not view himself as evil. He believes history proves humanity repeatedly chooses war, greed, corruption, and destruction. Project Eclipse is, in his eyes, not an act of tyranny but an act of mercy.

Sample Dialogue

"History isn't written by good men, Masha. It's written by the men willing to make impossible decisions."

"You think I'm stealing their freedom. I'm giving them peace."

"Stand down, Thirteen. Don't make me choose between my duty and my granddaughter."
